

Manuscript and Work Property Rights Transfer Consent Form

Title _____

Authors agree and assign either copyright or grant an exclusive license to Igaku-Shoin of their submitted articles for the purpose of publication for “BRAIN and NERVE” by Igaku-Shoin. That is to say, reproduction rights, translation rights, screen presentation rights, transfer rights, lending rights and rights of public transmission (including the right to make transmittable) for works published in this journal shall be deemed transferred to Igaku-Shoin. This ensures that all of the necessary rights needed for any requests from third parties to reproduce content from the journals are in place and are handled efficiently and consistently by Igaku-Shoin.

Articles have not been published elsewhere, or be in the process of being submitted for publication elsewhere. Prepare articles for submission, permission to reuse copyrighted materials must be cleared and if necessary paid for by the authors. It is also the authors’ responsibilities to include acknowledgements as stipulated by the particular institutions.

Authors may reuse a portion of their own material (quantity limits may apply) in other publications written or edited by themselves provided that obtaining permissions granted by Igaku-Shoin and the journal is acknowledged as the original place of publication and Igaku-Shoin as the publisher.
